Newsletter No.5

3rd March 2022

Our first Toroa/Pūkeko Wā Tūhura has seen lots of exciting new skills being taught by our wonderful student leaders

PRINCIPAL'S MESSAGE

Kia tūtura, kia kite, kia mahi katahi - To explore, discover, and learn together Mahia te mahi o tō ake kākau - Do things from the heart

> E kumanu ana - We care E āhei ana - We Can

E ako ana - We learn E mahi kātahi ana - We are

Kia ora koutou

I hope you are all are having a great week and your whānau is managing to keep safe and well. It is lovely to see the sun for more than one day and I hope this extends into the weekend!

We are experiencing a large number of students who are unwell but are returning negative Rapid Antigen Tests (RAT) as there seems to be a cold doing the rounds. Thank you all for monitoring your children's health and keeping them home if they are unwell. Please know that school remains a safe environment for your children and it is important that they keep to their normal routines and keep coming to school when they are well. Please keep the school informed if you have any concerns regarding this.

While the notification of COVID Cases within our school whānau is reasonably low the communication that I will be sending out at the moment is as follows:

- The teachers of the students, Senior Leadership, the Board of Trustees, The Ministry of Education are informed
- Whanau from the class where the new case is will receive an email informing them
- Whānau from the affected class's collaborative class will receive an email informing them
- The wider school whānau will be notified of a new case, but this will be a general message and will not identify the class

Please note this level of communication may change if the number of cases rises exponentially.

Under COVID Protection Framework Red Phase 3 only the whānau of a confirmed COVID case are required to isolate. The school remains open and students are not class contacts. In the newsletter is a flow diagram that explains this clearly. Please do not hesitate to contact me if you have any questions about Phase 3.

Home Learning

The focus of our teachers at the moment is to ensure that they are planned and ready to teach the students who are at school. Generic links to learning websites have been sent home to families who are choosing to keep their children at home as a precautionary measure, and no other material will be provided at this time. It is important to know that if your child is sick or tests positive for COVID-19, they need to focus on getting well, and no home learning will be provided. However, if your child needs to isolate, then a hard pack and/or a school device can be requested from your child's teacher, and this will be provided immediately via contactless delivery.

At the end of this week, hard copy packs will be sent home to <u>all</u> children in Kōhanga and Te Ngahere. This is a precautionary measure and these are only be used if a child needs to isolate. This will make it easier for distribution purposes.

This week the teachers will be working on creating a 10 Day isolation Home Learning Programme. This will be available from next week.

Year 6 Leaders

I would like to apologise to one of our school's Physical Activities Leaders (PAL) as the image in last week's newsletter was incorrectly labelled and Alex's name was wrong. Please see the corrected image later in the newsletter.

Hei kona mai i roto i kā mihi, Goodbye for now and thanks. GARETH TAYLOR

DATES TO REMEMBER

Mon 7th - Friday 11th Mar - Walk-n-Wheels week

Mon 21st Mar - Otago Anniversary Day Observed (School Closed)

Thurs 14th April: Last day of Term 1

2022 TERM DATES
